Description of works: Application for works to existing building including; Insertion of new windows and rooflights, infilling of windows, replacement of window with Juliet balcony door and replacement of roofs and new coping to flint wall. This application is in CIL Zone 4 and is zero rated as other development.

Thank you for your internet representation made on 8th December 2021 which has been recorded as an objection with the comments as follows:

OWPC42455

The Town Council's Planning and Transportation Advisory Group considered this application at their meeting held on Monday 6 December 2021 and object to the application on the grounds that the works would have an adverse impact on the residential amenity of the neighbouring property by virtue of the close proximity, overlooking and loss of privacy and windows opening out on to neighbours' residences.

Your views as made above will be considered before the application is determined.
