Planning application Department

Dear Sir,

I am writing with regards to planning application LU/341/19/PL.

For twelve years I have lived happily and peacefully in Beach Crescent, but am now worried by the proposed joining together of two flats above me, numbers 37 and 43.

If it is true, that this includes the removal and replacement of internal walls, it means many weeks of noise and disturbance and, even worse, a complete alteration of two balconies and windows overlooking the green. This will greatly affect the previously admired frontage of the building.

Many neighbours and I sincerely hope that you will not allow such changes to take place.

Yours faithfully,
