Dear Sir or Madam,

In response to your email:

Block Plan - We submitted a 1:200 Blok Plan with the application, however I am also attaching a 1:500 Block plan as being requested.

Existing Plans - you are asking for existing plans for this application, these have been submitted with our application as the SURVEY DRAWINGS, I am attaching them once again.

Fence - you are asking for elevations of the proposed fence - Please see the plan as submitted with our application showing the plan area and the elevation of this fence, plan once again attached.

You ask for confirmation whether the existing dairy building is attached to the existing dwelling - the answer is 'Yes', please refer to the SURVEY Drawings and the PHOTOGRAPHS as submitted with our application which show that the building is part of the existing.

You ask for confirmation if the proposed fence is going around the entire site - once again, please refer to the plans as submitted which show precisely where the new panels of fence are going, I attach this plan once again..

Flood Risk Assessment - We did not submit a flood risk assessment as there is no increase/extension to the existing footprint with this application, however I now attach one.

We would be pleased if you would now validate this application.c

Regards,

Jane Mottershead.
