Dear Anita

Further to our recent conversation, I am now able to confirm my client's agreement to an extension of time for determination of the application LU/349/17/DoC up to, and including, the 12th January 2017. This is to enable submission and consideration of the further details requested by WSCC as the Highway Authority.

I also confirm my client's agreement to an extension of time for determination of the application LU/320/17 up to, and including, the 12th January 2017, for the same reason.

I trust that this is acceptable and I will be back in touch with the further information shortly. Should you need anything further at this time, please do let me know.

Kind Regards

Dale Mayhew

Dear Mr Mayhew,

The consultation response I have received from County regarding the above application refers to the need to consider the details in association with those submitted in respect of LU/320/17. I note that additional information is still awaited in relation to application LU/320/17 and would therefore appreciate your agreement to an extension of time on application LU/349/17/DOC until 12-01-2017 to allow for receipt of additional information and re-consultation.

Regards

Anita Gardner
