Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/349/20/HH
Site Address: 32 & 33 Mariners Quay Littlehampton BN17 5DA
Description of works: Extension of rear balconies. This application affects the character & appearance of the Littlehampton (River Road) Conservation Area.

Thank you for your internet representation made on 17th February 2021 which has been recorded as an objection with the comments as follows:

OWPC33895

I strongly object to the application because this plan upsets the balance of this attractive riverside walk. Staggered balconies were expertly designed originally to provide privacy and symmetry in keeping with conservation area rules.

In this proposal the new supporting poles will protrude into the small neat gardens and the extended balconies will take away light and sun from the downstairs rooms of Nos 32 & 33 and neighbouring properties.

If approved this application will set a precedent for future plans of a similar nature-opening the floodgates to a hotch potch of balconies, containing extra storage/equipment thus spoiling the ethos of this conservation area.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at <https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
Group Head of Planning
