Dear Anita,

Please find attached the following drawings for your consideration:

- 19005-TP-009 – Elevations as Existing
- 19005-TP-010 – Elevations as Proposed

It should be noted that the proposed PV panels do not sit more than 70mm above the roof plane so it may be a little difficult to observe the PV panels on the North and South Elevations at the 1:100 scale but nevertheless they are there.

I trust these are of assistance to your determination but if you need anything else please do let me know.

Kind Regards

James

Dear Anita,

Thank you for your e-mail. I have been liaising with the project architect and we will look to provide you with the requested elevations as quickly as possible.

Kind Regards

James

Dear Mr Cording,

I am about to start writing the officer report for the above planning application and note that there are no elevation plans provided. These will be required to demonstrate the projection from the roof of the panels. Please can you let me have these additional plans by the end of this week if possible. I would like to be in a position to provide you with a decision before the Christmas break.

Regards

Anita Gardner
