Subject: RE: LU/352/19/PL- extension of time

Hi David

Further to your E Mail dated February 14th and our recent telephone conversation, it is clear that the proposed extension will indeed encroach upon a 45 degree line drawn from the centre line of the nearest window of the property to the North of the site, I cannot see that this will be to a greater extent than would have been the case if the extension had been built which was the subject of application number LU/414/17/PL, which was allowed. We therefore trust that this will not be grounds for the application being refused.

Best Regards

Tim Murray
