Dear Sirs,

My husband & I are quite
happy with people having a small
extension, however we feel that in
regard to the plans for the

ANNEXE FOR 16, MADEHURST WAY
LITTLEHAMPTON.

We feel this is not in keeping with the look of this estate, the annexe is too large for the plot. It looks like someone is trying to squeeze another bungalow on to the garden more or less the same size as the current one. It is far too big, & more or less meets the pavement on one corner destroying the park like green sward. Thereby encouraging others to do the same, ruining the whole ambience of the area. That is our objection.
