Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/356/21/DOC
Site Address: 36 Pier Road Littlehampton BN17 5LW
Description of works: Approval of details reserved by condition imposed under ref LU/235/18/PL relating to Condition Nos 3 - covered & secure cycle parking spaces and 4 - storage of waste & recycling bins.

Thank you for your internet representation made on 23rd November 2021 which has been recorded as an objection with the comments as follows:

OWPC42105

It is clear from the pictures in the application, these are merely pics of an under stair cupboard and 3 bins outside.

3 - covered & secure cycle parking spaces - I would love to see how many bikes you can store legitimately in this cupboard and there is no visibility of secure storage ? This is just a picture of a cupboard and does not meet the planning criteria for HMO

4 - storage of waste & recycling bins - No storage has been delivered, merely a picture of bins in the open air, may as well be any bins marked 36 in any locations. Storage in this case would indicate a physical restraint to stop the rubbish being blown and strewn out on public realm. This is just a picture of bins and does not meet the planning criteria for HMO

I object to this lac-lustre approach to planning whereby the owners have forgotten about what they promised and hope to get this passed by with pictures of non-related items. I would deplore the council to visit the site and inspect before making any further decisions.

I strongly Object
