Subject: Care Quality Commission Application to register Love Long House Ltd East Street Littlehampton West Sussex

Dear Ms Gardner

I am making contact in respect of a planning application for change of use for the above premises. The change is from a Doctors surgery (D1) to a residential establishment for 14 people with substance misuse/mental health difficulties (Private detox & rehab clinic C2) and I note that you are the planning officer.

I would be grateful if you could keep me informed of progress with this application as the company are hoping to open the service in February. CQC will undertake a site visit once all of the building work has been signed off but of course we could not register this type of service without appropriate planning permission. I wonder if there will be any objections to this application?

With regards

Jan Aston
Registration Inspector
