Further to the planning consent on the above property. I hereby confirm that the works to fulfill part 3, FRA ref C1063 will commence on the 4th March, we will forward photographic evidence once completed.

In the meantime I have enclosed the Flood Evacuation Plan which is overlaid with our Fire Evacuation Plan. If you have any further questions or queries please don't hesitate to contact me on the above number or email.

Yours faithfully

Gary Long

In Case Of a Flood

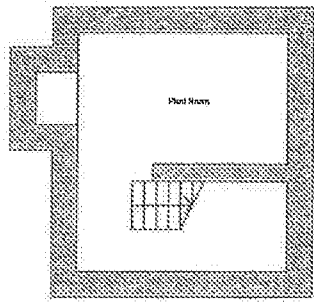

In the unlikely event of a flood please evacuate the building following the flood evacuation exit signs.

The Flood Assembly point is at the rear of the carpark.

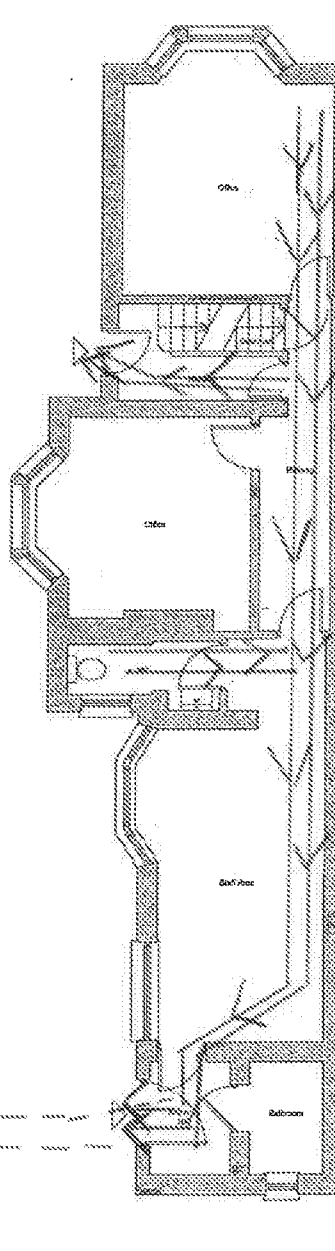

Please do not re-enter the building unless instructed to do so by the Flood Warden - Kirsty Grantham.

Please see the Evacuation Plan in the main lobby.

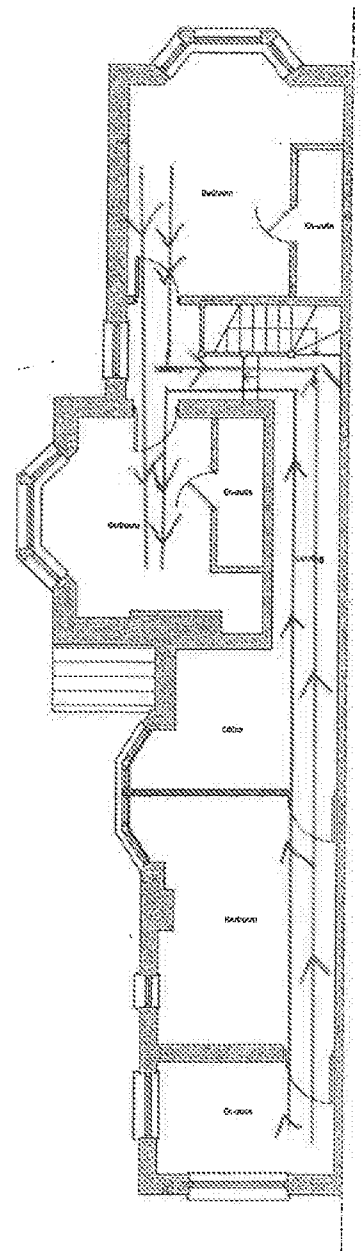

Any further questions please approach the Nursing team.
