Ms Galloway,

The below email got caught by our firewall.

Can you please resend the FRA for the above to me directly?

Dear Daun

I attach the FRA as requested. I wonder though if you could help with something else on this one? The attached Further Information letter from Nicola Moore is asking for a Heritage Statement. I have had had two previous applications on this site and I know there was another one by another agent since, but none have had a Heritage Statement. I have been trying to get to speak to someone and I have sent an email to query this, so I wonder if you could clarify it for me??

Many thanks

Liz

CAUTION: This email originated from outside of the organisation. You should take extra care when clicking links or opening attachments - if you are unsure the content is safe contact the IT Helpdesk before clicking or opening.

Please find the Flood Risk Assessment which should be included as part of the above numbered application.

The applicant and other associated colleagues are copied into this email for information.

Kind regards

Liz Galloway
