Good Morning Liz

With reference to your email below, apologies for not replying sooner I have been on annual leave and for some reason your emails are going to a 'junk' folder.

I have amended the accepted date to 16th February, please see the attached copy of amended acceptance letter.

Many Thanks

Nicky

Dear Anita

I have received the acknowledgement for the above stating it was accepted as valid on 22nd February. I sent the revised D&A Statement to Nicola on 16th February at 10.04 as you will see from my email below. I would have expected the application to be valid therefore from 16th.

Would it please be possible to arrange the dates accordingly?

Thanks and regards

Liz

Good afternoon Liz

Further to your email below and our telephone conversation yesterday, I have now referred this to Anita Gardner.

Anita has advised that there is need to submit a full Heritage Statement, but can the Design and Access statement be amended to include a paragraph to reflect the impact of the proposed development within the area of character.

Kind Regards

Nicky

Please could you explain why you need a Heritage Statement for this one. I have done two previous applications for this site for similar proposal and I do not believe a Heritage Statement was required or supplied in either case?

Thanks

Liz Galloway
