A communal kitchen and utility room are provided for tenant use of tenants. A private car park exists for tenants use - with parking for 7 cars and substantial additional road parking also available. Storage of 6 bikes has also been made available in the back patio area.

Work has been undertaken to completely refurbish the house with all walls replastered and painted, drainage/ sewage repairs, roof re-tiling, additional security, full rewiring and new units ( bathroom and kitchen) fitted .

When the house was purchased it was purchased through auction as an existing HMO with 10 rooms , a kitchen and 11 occupants and a draft HMO licence in place, subject to key modifications being undertaken (e.g movement of plug sockets, and other health and safety requirements).

An inspection by Ms. Lisa Colney ( Arun Council Senior Planning Officer) and her subsequent letter on 30 Oct 19 ( ref ENF/275/17) advised that a planning application was required to regularise the floor layout as the house plans that were held for the house by the Council were out of date ( dated 2004).
