Dear Sir

Proposal: Application for approval of details reserved by conditions 8 (surface water drainage) and 10 (foul water drainage) following a grant of planning permission LU/355/10/.

Site: Courtwick Lane, Land South of railway, Littlehampton, BN17 7PD, LU/367/13/DOC

Thank you for your letter of 07/01/2014.

Southern Water would have no objections to discharge condition relating to drainage details submitted. An application under Section 104 (adoption) of the Water Industry act needs to be submitted and approved by Southern Water.

The Council's Building Control officers/technical staff and the Environment Agency should be consulted regarding the discharge condition for surface water disposal.

Yours faithfully
