Hi Peter,
If we re-advertise, given the Christmas break, the application will be entered onto the weekly list of 03-01-2018 with a print date in the paper of 11-01-2018 and an advertising period expiring on 01-02-2018. Are you happy to proceed on that basis?
Regards
Anita

Hi Anita

I guess we go for the delayed determination as I assume that will be quicker than a further application.

Regards,
Peter.

Hi Peter,
If you wish me to substitute the revised front elevation plan for the existing the application will require re-advertising as the change in materials requires planning permission.
Do you wish the determination of the current application to be delayed or will you be submitting separately?

Hi Anita

I confirm agreement to the extension of time to 19/01/2018.

Please see the attached which show a reduced scheme and the proposed frontage treatment. The applicants still seek the full permission but the initial implementation will be the ground floor only as attached.

Regards,
Peter.

Dear Mr Shaw,
I am still awaiting the comments of the environmental health officer on this application. Given that the offices will be closed over Christmas and no response is likely before the new year I would appreciate your agreement to an extension of time until 19-01-2018 to allow time for their receipt. Please can you confirm your agreement by return
Thanks
Anita
