Afternoon,

Following my conversation with your office I write to confirm that this planning application is for a ramp access to the property not an extension so no flood risk assessment would be required.

Our client Mrs Wells is currently housebound as unable to get her wheelchair down the existing steps.

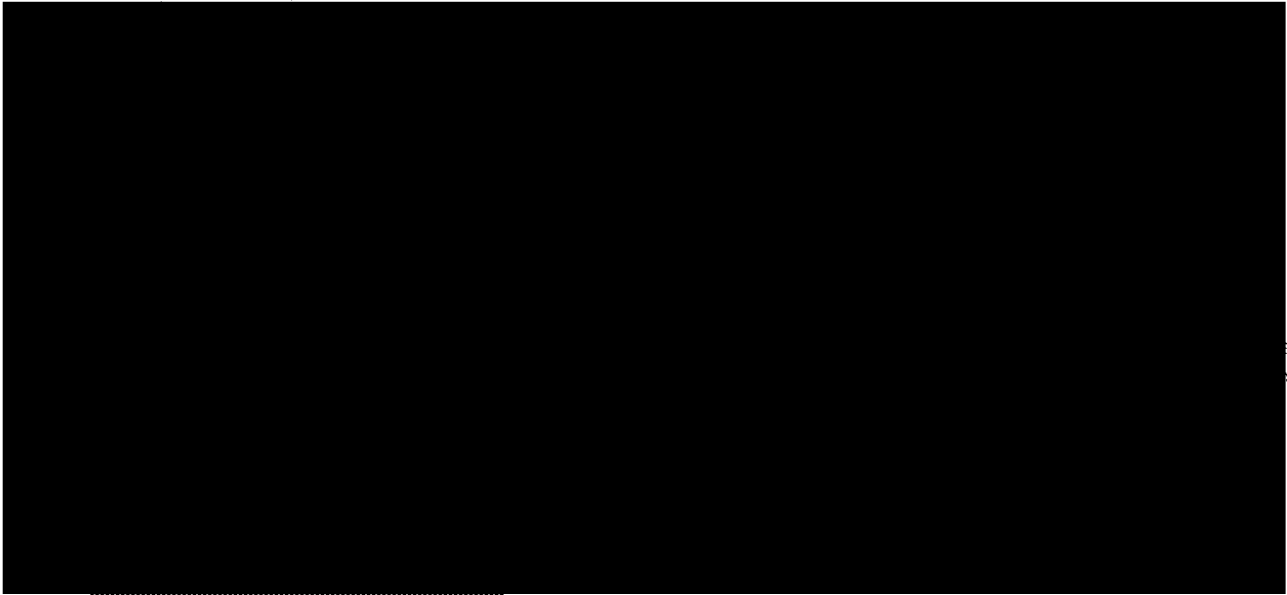

I attach a copy of our proposal for the ramp, as you will see we are fitting an aco drain at the abutment of the house.

We do hope that the planning application can now be processed.

Please let me know if you need any further details.

Kind Regards,

[REDACTED]

... or in part,
... rify, we can
