Planning Application No: LU/369/21/RES

Site: Central Wetland Area Hampton Park, Toddington Lane, Littlehampton, BN17 7PL

Proposal: Approval of reserved matters following outline consent LU/47/11/ (amended under LU/182/15/PL) for the main on-site infrastructure at Hampton Park and encompasses: 1) the Central Wetland Area, 2) the main spine road and crossing structures & 3) the SUDs features.

National Highways Ref: HAMIS 93277; Tracker #15384

Dear Mrs Johnson

Thank you for your email of 22 November 2021 consulting National Highways (formerly known as Highways England) on the application referenced above.

National Highways has been appointed by the Secretary of State for Transport as strategic highway company under the provisions of the Infrastructure Act 2015 and is the highway authority, traffic authority and street authority for the strategic road network (SRN). The SRN is a critical national asset and as such National Highways works to ensure that it operates and is managed in the public interest, both in respect of current activities and needs as well as in providing effective stewardship of its long-term operation and integrity. We will therefore be concerned with proposals and policies that have the potential to impact the safe and efficient operation of the SRN, in particular the A27.

We are satisfied that the proposals in this Reserved Matters application will not materially affect the safety, reliability and/or operation of the strategic road network (the tests set out in DfT Circular 02/2013, particularly paragraphs 9 & 10 and MHCLG NPPF 2021 paragraphs 110-113) in this location and its vicinity. Therefore we do not object to this reserved matters application.

If you have any queries regarding this response please contact us at
PlanningSE@highwaysengland.co.uk.

Kind regards,

Elizabeth Cleaver, Assistant Spatial Planning Manager
