Hi Aimee,

Please re-name the plan (attached): "Location Plan", not the "Permanent Drainage Solution Plan".

The red line plan for LU/369/21/RES needs to follow the boundary of the Central Wetland Area.

You need to exclude the red line that runs around the Green Swales and the Central Spine Road which runs through Phase 5 and on through the Community Hub and on to Toddington Lane as these are covered by LU/206/21/RES.

I look forward to receiving the amended red line plan for LU/369/21/RES.

Kind regards,

Michael

Hello Michael

Please can you clarify/ mark up on the attached the plan where the red line is not in accordance with the description?

I can confirm the northern end is to be a combined pedestrian/ cycleway and then splits at the junction with the Central Spine Road with a cycle path on the one side and a pedestrian footpath on the other.

Kind regards

Aimee
