Subject: Application LU/370/19/PL

Dear Mr Barrow,

Following on from today's meeting please see an attached outline of what I believe to be coming tomorrow:

- New plans including a block plan showing the side extension at the first floor and existing elevations.
- Plans showing Relocation of stairwell
- Amended plans showing there will be no access to the existing flat from the relocated stairwell and the roof height to be altered on the existing side pitch.
- A new description to the proposal

Finally it was agreed that a new description and the plans as per above would be emailed to me from you by no later than the end of the day tomorrow.

I look forward to seeing the new plans and moving the application forward which will include a new 21 day reconsultation period and posting of a new site notice.

Kind regards,

Finlay Gardner
