App: LU/370/21/PL

Proposal: Variation of Condition No.1 following grant of LU/305/19/RES - revised landscaping and ecology.

Address: Phase 3 Hampton Park Toddington Lane Littlehampton BN17 7PL

In principal, the planting of more suitable trees to enable the successful installation of bat boxes is fine. Provided there is no net loss of biodiversity from the removal and replanting of trees in plans approved under LU/305/19/RES, then we require no further information.
