Good Morning Jon

Further to my email below, and subsequent letter dated 15th December (copy attached), I do not appear to have received the Location Plan at the correct scale.

To ensure your application is validated, please forward to me within 7 days. If the required information is not received, the application will be referred to our Enforcement Team.

Kind Regards

Nicky Moore

Hi Jon

With reference to your email below, when we receive plans we check the measurement of the scale bar to ensure it is correct. In this case, when I measure the Location Plan as 1:1250, the scale bar measures approx. 46m and not 50m, and the Block plan measures 46m at 1:500.

Please re-submit both plans. You will need to ensure they are scanned at actual size, or, if it is easier, the original colour copies can be sent to me at the address below.

Kind Regards

Nicky Moore

Hi Nicky,

I need some advice here.

The documents say that they are the correct scale but Mr Crowther says it does not.
1:1250 and 1:500.

No idea how to resolve this.

Many thanks,

Regards Jon Boyazis
