Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Change of use of land for the stationing of 25 No. mobile homes for permanent residential occupation. Departure from the Development Plan.

The Bungalow Southdown Nursery Old Mead Road Littlehampton

Thank you for your internet representation made on 12th December 2017 which has been recorded as '**an objection**' with the comments as follows:

My concerns are,

The field floods (as does our park with rainwater with very little rain it has been flooded in parts since 10/12/17 with very little rain this winter).

Keeping the run off ditch by our boundary fence clear (it does fill water and runs into Black Ditch stream).

Problems with more sewage for the area (our sewage from our park has to be pumped into the main sewer).

Amount of extra traffic to Lyminster Rd.

Lose to wildlife if built on.

Flooding from Black Ditch stream (some of our gardens get flooded when we have alot of rain).

Age restricted site.(if the site is not made it could affect alot of very old residents who have chose to live on this park because it is age restricted).

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be

automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
