Hi Anita

Yes please. Our flood risk consultant is aiming to prepare a response to the EA by the middle of next week so I will send this on to you upon receipt.

Dear Clare,

Shall we agree an extension of time of a further month until 16th February to allow for submission of additional information and re-consultation?

Regards

Anita Gardner

Hi Anita

I have been reviewing the comments made on the above planning applications, in particular those made by the Environment Agency. We will be providing a response shortly but our flood risk consultant is currently on leave, returning next week. I am conscious the determination date is 11th January so would it be possible to agree an extension to give us enough time to respond and for any reconsultation that needs to take place?

Kind regards

Clare
