DATE: 26th February 2018

**FROM: Tim Townsend TO: Arun District Council

SUBJECT: LU/37/18/DOC - Approval of details reserved by condition imposed under LU/355/10/ relating to condition 34-scheme for bus stops within site.

LOCATION: Land North of and South of Railway, Courtwick Lane, Littlehampton, BN17 7FR.

S106 contribution total (see below for breakdown): £N/A

This the WSCC highways and transport response to the application seeking approval of details relating to condition 34 for bus stops within the site.

Highways consideration.

The application, as submitted, simply provides details of the stops themselves in the form of a photo showing a pole, flag and information board. This appears acceptable subject to final details of what goes on it (e.g. timetable, flag colours/design etc.). However, the wording of the condition also requires that a programme for installation be provided for consideration and approval. This should be sought from the applicant.

Further to the above, the following should also be provided:

1. Plan showing locations of the stops
2. Plan showing hardstandings provided at each of the stops to permit people to wait without standing on grass verges etc.

Please re-consult.

Thank you.
