Hi charlotte,

The visibility lines were drawn to 50 metres. I have attached some photos of proposed dropped kerb face on view (the dropped kerb will be where the white posts are!)
The other two show a view from the edge of the kerb (ie from the proposed dropped kerb)

Hope the info is adequate,

Happy new year
Regards
Darren burchell

Dear Mr Burchell,

Many thanks for posting in the amended drawings, I have shown the plans to the case officer and they have requested one additional piece of information. Would you able to provide the measurements in metres of the visibility splays you have drawn please.

Please note I am now out of the office until Friday 2nd January 2015 and will endeavour to respond to any further queries or any additional information upon my return.

Many thanks and best wishes

Charlotte
