

DECISION NOTICE

Application Ref: LU/382/21/PL

1 To Addressee

Mohsin Cooper
Mohsin Cooper
7 Hove Manor Parade
Hove Street
Hove
BN3 2DF

2 Site Address

71 High Street
Littlehampton
BN17 5AE

3 Description of Development

Refurbish and renew the first and second floors of the existing building to the southern side of the site, with a new build proposal to the northern half of the site, creating a new entrance and entrance stairwell with bicycle and bin storage to the existing ground floor area and a new two storey (1st and 2nd floor) build co-living, 23 bed HMO scheme above, together with the change of use to the former bank (Use Class E) to four commercial units (Use Class E). This application may affect the setting of a listed building.

4 In pursuance of their powers under this Act and related Orders and Regulations the Council **PERMIT** this development to be carried out in accordance with the application and plans and subject to the following conditions.

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby approved shall be carried out in accordance with the following approved plans:

0419-P001 RevA.
0419-P002 RevA.
0419-P003 RevA; and
0419-S001.

Reason: For the avoidance of doubt and in the interests of amenity and the environment in accordance with policy D DM1 of the Arun Local Plan.

- 3 The ground floor commercial units shall be used for class E (a), (b), (c), (d), (e) or (g) (i) and for no other purpose (including any other purpose in Class E of the Schedule to the Town & Country Planning (Use Classes) (Amendment) (England) Regulations 2020 or any other Statutory Instrument revoking, re-enacting or amending these regulations).

Reason: To enable the Local Planning Authority to maintain control in the interests of the amenities of the residential properties above and the vitality & viability of the town centre area in accordance with Arun Local Plan policies QE SP1, RET DM1 and D DM1.

- 4 No demolition/construction activities shall take place other than from 08:00 hours until 18:00 hours (Monday to Friday) and from 08:00 hours until 13:00 hours (Saturday) with no noisy work (defined as not involving any machinery/plant) on Sunday or Bank/Public Holidays.

Reason: To protect the amenity of local residents in accordance with policies QE SP1 and QE DM1 of the Arun Local Plan and the NPPF.

- 5 No works to the extensions shall take place unless and until the applicant has submitted a scheme for approval in writing by the Local Planning Authority to demonstrate that the development will achieve energy efficiency measures that reflect the current standards applicable at the time of submission and incorporate decentralised, renewable and low carbon energy supply systems. The approved scheme shall thereafter be implemented prior to occupation of any part of the building and any approved renewable energy supply systems shall be permanently retained & maintained in good working order thereafter.

Reason: In order to secure a reduction in the use of energy at the site in accordance with the NPPF and policy ECC SP2 of the Arun Local Plan.

- 6 No works to the extensions shall take place unless and until full details (design, operation & materials) of the proposed new windows and external doors to be used in the extensions have been submitted to and approved by the Local Planning Authority and the materials so approved shall be used in the construction of the extensions. Once approved, the development shall be undertaken in accordance with these details and retained as such at all times thereafter in perpetuity.

Reason: In the interests of the heritage value of the host building and the surrounding historic character in accordance with policies HER SP1, HER DM1 and HER DM2 of the Arun Local Plan.

- 7 No part of the development shall be first occupied until details of the method of securing cycles within the proposed bike stores have been provided to and approved in writing by the Local Planning Authority. The cycle stores and associated racks shall then be provided and retained in good working condition in perpetuity.

Reason: To provide secure alternative travel options to the use of the car in accordance with policy T SP1 of the Arun Local Plan and the NPPF.

- 8 Prior to the occupation of any of the new dwellings or commercial premises, a strategy for the provision of the highest available headline speed of broadband provision to future occupants of the site shall be submitted to and approved in writing by the Local Planning Authority. The strategy shall take into account the timetable for the delivery of 'superfast broadband' (defined as having a headline access speed of 24Mb or more) in the vicinity of the site (to the extent that such information is available). The strategy shall seek to ensure that upon occupation of a dwelling, the provision of the highest available headline speed of broadband service to that dwelling from a site-wide network is in place and provided as part of the initial highway works and in the construction of frontage thresholds to dwellings that abut the highway. Unless evidence is put

forward and agreed in writing by the Local Planning Authority that technological advances for the provision of a broadband service for the majority of potential customers will no longer necessitate below ground infrastructure, the development of the site will continue in accordance with the approved strategy.

Reason: To safeguard the amenities of future residents in accordance with Arun Local Plan policy TEL SP1.

- 9 No part of the development shall be first occupied until full details of the placement of two suitable bird boxes on the building have been submitted to and approved in writing by the Local Planning Authority. The approved details shall then be implemented in full prior to occupation and thereafter retained to the satisfaction of the Local Planning Authority.

Reason: In the interests of securing biodiversity net gain in accordance with Arun Local Plan policy ENV DM5 and the NPPF.

- 10 The materials, finishes and detailing of the external walls, roofs and guttering of the extended building hereby permitted shall match in design, colour and texture with those of the existing building.

Reason: In the interests of amenity and heritage in accordance with policies D DM1, HER SP1, HER DM1 and HER DM2 of the Arun Local Plan.

- 11 If during development, any visible contaminated or odorous material, (for example, asbestos containing material, stained soil, petrol / diesel / solvent odour, underground tanks or associated pipework) not previously identified, is found to be present at the site, no further development (unless otherwise expressly agreed in writing with the Local Planning Authority) shall be carried out until it has been fully investigated using suitably qualified independent consultant(s). The Local Planning Authority must be informed immediately of the nature and degree of the contamination present and a method statement detailing how the unsuspected contamination shall be dealt with must be prepared and submitted to the Local Planning Authority for approval in writing before being implemented. If no such contaminated material is identified during the development, a statement to this effect must be submitted in writing to the Local Planning Authority.

Reason: To ensure that the development complies with approved details in the interests of protection of the environment and prevention of harm to human health in accordance with Arun Local Plan policies QE SP1 and QE DM4.

INFORMATIVE: Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure)(England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by identifying matters of concern within the application (as originally submitted) and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal, in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

INFORMATIVE: A formal application for connection to the public sewerage system is required in order to service this development, please contact Southern Water, Sparrowgrove House, Sparrowgrove, Otterbourne, Hampshire SO21 2SW (Tel: 0330 303 0119) or www.southernwater.co.uk. Please read the New Connections Services Charging Arrangements which is available to read at:

<https://beta.southernwater.co.uk/infrastructurecharges>.

INFORMATIVE: The applicant is advised that the erection of temporary directional signage should be agreed

with the Local Traffic Engineer prior to any signage being installed. The applicant should be aware that a charge will be applied for this service.

INFORMATIVE: The Environment Agency strongly recommend the use of flood resistance and resilience measures. Physical barriers, raised electrical fittings and special construction materials are just some of the ways you can help reduce flood damage. To find out which measures will be effective for this development, please contact your building control department. In the meantime, if you'd like to find out more about reducing flood damage, visit the Flood Risk and Coastal Change pages of the planning practice guidance. The following web document may also be useful: www.gov.uk/government/publications/flood-resilient-construction-of-newbuildings.

The applicant/occupants should also phone Floodline on 0345 988 1188 to register for a flood warning, or visit <https://www.gov.uk/sign-up-for-flood-warnings>. It's a free service that provides warnings of flooding from rivers, the sea and groundwater, direct by telephone, email or text message. Anyone can sign up. For practical advice on preparing for a flood, visit <https://www.gov.uk/prepare-forflooding>. To get help during a flood, visit <https://www.gov.uk/help-during-flood>. For advice on what do after a flood, visit <https://www.gov.uk/after-flood>.

INFORMATIVE: Please note the recommendations of our Private Sector Housing Team on our website dated 19/01/22 which includes guidance on fire safety, ventilation, railings to terraces/balconies, other hazards and HMO standards.

Neil Crowther
Group Head of Planning

Case Officer: Mr S Davis

Decision Issued: 20th July 2022

Arun District Council
The Arun Civic Centre
Maltravers Road
Littlehampton
West Sussex BN17 5LF

IT IS IMPORTANT THAT YOU READ THE NOTES ATTACHED TO THIS DOCUMENT

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, and you want to appeal against this planning application decision, then you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against this planning application decision, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months of the date of this notice, whichever period expires earlier.

Otherwise, if you want to appeal against this decision then you must do so within 6 months of the date of this notice.

Appeals must be using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at <http://acp.planninginspectorate.gov.uk>

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must send notice to the Local Planning Authority and Planning Inspectorate(inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details can be found at www.GOV.uk

PURCHASE NOTICES

If either the local planning authority or the Secretary of State refused permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (that is, where the land is situated in a National Park, the National Park authority for the Park, or in any other case the district council in whose area the land is situated). This notice will require the Council to purchase the owner's interest in the land in accordance with the provisions of Chapter 1 of Part VI of the Town & Country Planning Act 1990.

Please note that this decision notice only relates to matters under the Planning Acts and does not give consent under any other legislation that may apply to the development. You will need to carry out your own checks to determine whether any other consents or permissions are required. For example, the Building Regulations are likely to apply to most developments, and a Highways Licence may be required from West Sussex County Council for any development within the public highway (including the placing of skips on

highway land).
