Environmental Health Comment: There is currently insufficient information for me to comment upon this application. Please would you be so kind as to ask the applicant to provide:

1. An assessment of the effect of extensive pile driving into this existing landfill site and its potential to create pathways.
2. An acoustic report from an appropriately qualified acoustic consultant, to quantify the level and predict the effect of noise and vibration generated in the construction and running of this project at/on the nearest sensitive locations ie dwellings at Torri and Brook Barn Farms, in respect of:-
 - a. Pile driving
 - b. Generators operating on site.
 - c. The combined operation of all solar panels together. Please detail octave band analysis, with particular regard to low frequency noise output.
 - d. Output from the two transformers to be present. Analysis as above.

The Council have received the above application. I shall be pleased to receive any observations you may wish to make.

[Click here to view the application details](#)

Should you have any comments to make, these should be sent by replying to this email by 19-FEB-15.

You can also monitor the progress of this application through the Council web site:
www.arun.gov.uk/planning

Please be aware that any comments you may make will be available on our website so please do not insert personal details or signatures on your reply.

In the absence of a reply within the period stated, I shall assume that you have no observations to make.

The application will be determined having regard to the development plan policies (if any are relevant) and other material considerations. The development plan can be accessed via the website as can the leaflet which deals with material planning considerations.

Should the application go to appeal the Planning Inspectorate will publish any comments made to the Council on their website:

www.planningportal.gov.uk/planning/appeals/ but they will protect personal details.

The officer dealing with this application is Mr J Baeza who can be contacted on telephone number 01903 737765.

Regards
Planning Officer
