I MS 13 COG EXTREMELY CONCERNED
about the solar farm that is PLANNED
FOR Old Mead Road.

~~There IS going to be a lot of DREADFUL NOISE and DUST
we will NOT be able to have our windows
and doors open and AS I AM ASTHMATIC the dust
will have a dramatic effect on my health~~

and also the wild life will be affected.

and the domestic ANIMALS and the children in the
area.

if this goes ahead I will have to go the
Public Park of cafe to get peace and quiet.
I am NOT going to be DRIVEN out of my home
because of this

I am very against this solar farm
and do any thing to TRY and STOP this
going ahead. I will NOT be able to sit out any washing
or sit in my garden.

Yours sincerely
