I AM writing this for my sister as she can not write very well.

I Miss C Greening

IT HAS COME TO MY ATTENTION
That there are plans to build a solar farm
in old Mead Road.

I AM against this as I am asthmatic and
concerned about the effect this will have
on my health because of the dust.

and there is the wild life to think about
and children in the area I will have to go out
every day to get some peace and quiet
The noise is going to be dreadful we do not
want it we are going to call we can to stop it
going ahead and we fear for our animals
and the road bad enough it will be worse with
all the heavy vehicles and we will not be able
to walk on some of the road safely.

Yours sincerely
