Hello Juan

Thank you for your email.

I can confirm an extension of time to allow for committee on 22nd April.

I hope to submit the noise report within the next 24hrs.

I trust our ecology surveys will be sufficient, but do let me know if any further ecological concerns are raised as I'm sure we can agree additional mitigation measures if necessary.

Kind Regards

Hi Emily,

I will be looking to prepare a recommendation on this application. I've got most consultee comments in but I am waiting for two more. West Sussex County Council ecology to advise me on wildlife impact (a lot of concern on this has been raised) and environmental health on noise report that you are compiling. If I am minded to recommend approval it will need to go to Committee for a decision. The soonest DC committee is now the 22nd April. As a result can I have your agreement for an extension of time for this application to be determined by then?

Regards
