Good afternoon Juan,

Just to confirm that I am satisfied by the Noise Impact Assessment provided in this case and have no further objection to this application. I will provide our comments through the usual 'planning response' system and with your agreement leave it to you to contact Emily as you see appropriate.

Thanks Carol

Carol, Juan

Please find attached the noise report for the above application, which concludes there would be no adverse effects. I trust this is acceptable, but do let me know if you have any queries.

Kind regards
