29th January 2018

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Change of use of land for the stationing of 14 No. mobile homes for permanent residential occupation. This application is a Departure from the Development Plan.

Land to East of Torri House Old Mead Road Littlehampton

Thank you for your internet representation made on 28th January 2018 which has been recorded as '**an objection**' with the comments as follows:

I am strongly against this proposal for mobile homes in Old Mead Road for the following reasons. (1) this is an unadopted road that is neither maintained, or cleaned and litter picked. (2) it has a distinct lack of street lighting and is unsafe to walk at night due to that. (3) The road surface is already being eroded due to the increased traffic that goes down to the nursery and caravan storage site already in that location. (4) The land in the proposed location is unsafe due to old landfill that contains hazardous waste, there is an unacceptable risk of dangerous gases escaping which are dangerous to humans and wildlife alike. The risk of contamination to the land and environment, which is why Anesco did not pile drive when siting the solar farm. There is no mains drainage so where is all the waste going to go? also, it is in a flood risk area. This area is totally unsuitable for having more homes here as there is no provision for the houses that already exist.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
