Dear Mr Willson,

Our records have been amended to refer to you as agent, but I have no address details for you so Mr Molica's address has been used. If you wish to provide details I will amend our records accordingly.

I will need to look at the application in detail and discuss it with other officers prior to reaching a decision on the likely recommendation. I would therefore appreciate your agreement to a further 2 week extension of time on the application until 19-10-2018. It is hoped that a response from Environment Agency will then have been received and can feed into the discussion.

Regards

Anita Gardner
