Hi Michael,

Thanks for your email.

I wasn't aware that the 'Site-wide Flood Compensation Technical Note' (Ref. TN003 Rev. A) was submitted as part of the discharge of condition applications for LU/390/21/DOC & LU/391/21/DOC at Phase 2B (Phase 4) at Hampton Park. I've noticed on your website that this was added at a later date (18/01/21) for both planning applications. So I think I might have looked at the documents before the Technical Note was uploaded onto the website.

Thanks,
Ele

Dear Ele,

Are you aware that the 'Site-wide Flood Compensation Technical Note' (Ref. TN003 Rev. A), 29/09/21, prepared by Stantec was submitted by Persimmon Homes for discharge of condition applications for **LU/390/21/DOC & LU/391/21/DOC** at Phase 2B (Phase 4) at Hampton Park?

Would you like me to ask Persimmon Homes to withdraw the Site-wide Flood Compensation Technical Note from the two DOC applications?

Regards,

Michael
