Notification regarding the above application:

Condition Number 4

No development shall commence until details of the proposed removal of existing unsympathetic modern windows and their replacement and re-use of existing traditional windows have been submitted to and approved in writing by the Local Planning Authority. These works shall then be undertaken in strict accordance with the approved details and thereafter retained as such.

Reason: In the interests of preserving or enhancing the significance of the listed building or its setting in accordance with policies HER SP1 and HER DM1 of the Arun Local Plan, the National Planning Policy Framework, and the Planning (Listed Building and Conservation Areas) Act 1990 (as amended).

Decision:

Arun District Council have decided to **REFUSE details reserved by condition for the following reasons:**

Insufficient information has been provided to discharge condition 4 with regards to details of proposed removal of existing traditional windows required by condition 4 of LU/135/21/L. The applicant provided further information and details which were reviewed by ADC Principal Conservation Officer, however, they were considered to be still not sufficient and condition can't be discharged.

For the above reason and in the absence of required details the condition 4 cannot be discharged and you will need to make a revised submission.

Please do not hesitate to contact the above officer if you require any further assistance.

Yours sincerely
