Empty Supermarket Premises Avon Road Littlehampton

Thank you for your internet representation made on 19th January 2019 which has been recorded as **'an objection'** with the comments as follows:

It has been well recorded that Littlehampton is stretched to its limit with doctors and dentists. Parking can also be an issue for those wanting to make use of the little amenities within Littlehampton already. If this site is to be developed give the town what it needs. Doctors, dentists or a social amenity for families to use. These apartments will end up like those at the mini roundabout. They will then end up squalid and another eye sore. There are already apartments being built on the site of the brewery. Where are all these people going to park their cars? Someone was injured due to bad parking at the local school recently, will it take a death for the council to realise that building more housing with no parking is nothing short of idiotic. Stop building homes and start building up the town into what it can be. Help make it a place that people want to visit and stroll around, without being threatened by the street drinkers and druggies.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.
