Empty Supermarket Premises Avon Road Littlehampton

Thank you for your internet representation made on 19th January 2019 which has been recorded as **'an objection'** with the comments as follows:

Several reasons for objecting. I'm obviously not an expert in such matters but you are proposing 83 houses with only 40 parking spaces....where are the rest of the cars going to go and park? My thoughts would be they will park in surrounding streets which are already full to capacity.

223 residents all needing health facilities. We do not have enough room for the people we have in the town.

More school places will be needed. The local schools are struggling as it is with too many children und under funding.

You will no doubt build on the Waitrose car park which is one of the places people park to take their children to Riverbeach school morning and evening. Cornwall road and queen street already get grid locked with the current amount of cars let alone those who can no longer use the car park across the road. This will no doubt lead to accidents involving children.

I can't think of a good reason for the building of more houses in this location and have not seen one positive remark about it.

Please start listening to the town and be driven by their comments not the income you will receive from the property company.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.
