Thank you for your internet representation made on 18th January 2019 which has been recorded as **'an objection'** with the comments as follows:

I object to this planning due to the lack of services that are currently supporting this town. In regards to police, doctors and schools which are lacking in serious funding will certainly tip this town over with an additional amount of housing added how can be supported effectively. There is also the lack of employment and pressure on people currently residing and without a sustainable system in place this town will just go under. Additionally with the parking issues and housing pressure on the town the identity of what was a seaside town is just becoming a housing estate.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. Do not include personal information or information from third parties unless you have their permission to do so.
