Empty Supermarket Premises Avon Road Littlehampton

Thank you for your internet representation made on 17th February 2019 which has been recorded as **'an objection'** with the comments as follows:

I have no problem with the application in general BUT there are 3 major issues.
1/ buses turning from Anchor Springs onto East street already mount the corner and are damaging and entering East street too wide to be safe. The corner needs to be eased to assist turning and maintain a SAFE view for bus drivers of East Street Traffic.
2/ SERIOUS concern that the B2 building on the car park is too high it will dominate the area as it is higher ground and will irrevocably change the appearance of the area. A floor lower would reduce the impact.
3/ Parking....., parking in the area is saturated and the building of "town Centre" properties without proper parking is debatable as Littlehampton can hardly be described as a town centre anymore. removing the public parking space will exasperate these issues.
Realistically access in side roads, the reduction o footfall in the town centre are UN-sustainable already without making it worse.....

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.
