Crown reduction to 2No. Holm Oaks by 3 metres and 1No. Sweet Chestnut by 1.5 metres within the Littlehampton (East Street) Conservation Area.
Winterton Lodge, Goda Road, Littlehampton,

I refer to your recent notification of your intention to carry out the above mentioned works and write to inform you that, after consideration of your proposal, it has been decided to OBJECT to this proposal and create a Tree Preservation Order.

The 2No. Holm Oaks and 1No. Sweet Chestnut trees make a significant contribution to the character and appearance of the area and without arboricultural justification the proposed works are regarded as excessive and would unacceptably affect the amenity value of the trees to the detriment of the area.

You must not proceed with the works specified without the written consent of the Local Planning Authority. The documents relating to the Tree Preservation Order will follow shortly.

I trust this is of assistance to you.

Yours sincerely

Karl Roberts
Assistant Director Planning & Economic Regeneration
