Hi Nicola,

The work required on No 1 Holly tree would be a crown reduction. The tree is situated by the children's play area, so it's just a case of remedial surgery to keep the tree in good shape and reduce any encroachment into play area.

Kind regards
Holly

Good Afternoon

Thank you for your email below.

For clarity please clearly identify the work required to 1 No. Holly tree, e.g. crown thin, crown reduction. Please refer the attached a copy of our Validation Requirements for Tree Applications for further guidance.

Kind Regards

Nicky

Hi,

After crown reduction the bay will have an overall spread of 2m and an overall height of no more than 3m.

After a trim and tidy, the holly will have an overall spread of 2.5m and an overall height of 3.5m.

Yours sincerely,
Holly Redford-Wilson,
Landgirls
