Hi Zac

As discussed in the office here today

I have been passed the email chain attached from Anna Appleton for me to look into and comment to Planning

Having reviewed the case / application history and taking into account the comments of my colleagues Carol Reynolds and Matt Kennett, as well as reading the report produced by Terratec S.I. Ltd [dated 14th August 2018].... I can see no reason not to allow the discharge of Condition 5 as imposed on LU/427/17/PL

Kind regards
