Chris,
I note that I have received a response to my consultation at Flint Acre on LU/43/13, but a response to consultation LU/42/13 (for a different dwelling on another part of the garden with a new access) remains outstanding. I have checked your web site and can't find anything logged against the reference even though our records show you were consulted at the same time. Have you looked at this application? If not are you able to let me have some comments ASAP?

Thanks

Anita
