Subject: LU/42/13 and LU/43/13 Development at Flint Acre, Toddington Lane, Littlehampton

Dear Mr McMillan,

I am the case officer dealing with the above planning applications. Having visited the site I note that some of the site is overgrown and there are hedges and a large lake/pond within the site that would be altered/reduced in size by the proposal.

Without prejudice, I would therefore appreciate receipt of a protected species survey within the next 21 days, to enable the ecological impact of the development to be fully assessed.

Yours sincerely

Anita Gardner
