Thank you for consulting the Environment Agency on the above application.

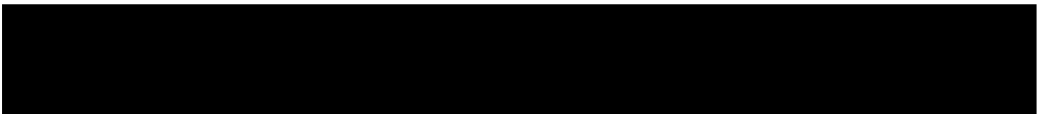

Environment Agency Position

We have reviewed the Verification report for Plots 1-15 dated 26/01/2021. This includes details of the groundwater monitoring completed following completion of the intrusive element of works on the site. We support the conclusion that the intrusive works have not resulted in a detrimental impact on groundwater quality.

Should you have any further queries please do not hesitate to contact me.

Yours faithfully

Mrs Sophie Brown
