Michael

Thank you for your time and guidance as always it is much appreciated.

LU/49/18/DOC Condition 4

Drawings 4485_257H and 4485_258D detail the final levels of the mixed use and changing room buildings and sports pitches.

There has not been any changing to the levels of the mixed use building since the original submission via email on 7th June.

The changing room is its new position now sits slightly lower.

Hard copies will be dropped off on Tuesday afternoon as I am in the area.

Kind Regards

Hi Darren,

Please could you submit a detailed level survey for just the Mixed Use Building and the Changing Facilities Building at Kingley Gate; and omit the sports pitches and the NEAP.

Once I have received the detailed level survey of the Mixed Use Building and the Changing Facilities Building, the plans can be approved and Condition 4 will be discharged.

You are currently in breach of Condition 4 as work has commenced on the Mixed Use Building.

Could you send me the requisite detailed level survey of the Mixed Use Building and the Changing Facilities Building by **5.00pm on Friday 31st August 2018?**

Kind regards,

Michael
