David,

You know if you want it in colour that means that any email addresses, signatures, phone numbers can't be redacted??

Is that ok? I have not looked at the document yet so I don't know what it contains...

Thanks,
Daun

Subject: Windroos - Conditions 5, 6 & 7

Hi Daun,

I hope all is well in the sunny south.

I have just submitted a DOC application for conditions 5,6 and 7 in relation to LU/229/10. condition 5 has a partial discharge and following discussions with EHO last year it was decided that once development had commenced a validation report would confirm all the remediation/testing.

As the report is 450 pages it can't be uploaded on planning portal. In the email below there is a link to allow you to download the report. The EHO will need the colour copy, rather than redacted b&w copy in order that the data can be checked.

I hope that this is acceptable and if you have any queries please shout.

All the best.

David Innes
