Hi Daun,

I Hope you are all staying safe at Arun.

I noticed when I was online to see if the EHO had responded that the application form uploaded is the wrong one as it relates to only condition 5. When I submitted the application on 20 Feb i had used the copy application feature and not amended the reference to the condition. This was amended on the portal the same day for 5,6 &7. Copy attached from Portal download but it was transferred to Arun DC on same day 20 February.

Can you please amend Arun planning portal description and revised form.

The EHO has yet to respond and I have chased this up again.

Any queries please let me know.

all the best.

David Innes
