Essential maintenance is being carried out to the planning, building control and local land charges database during the week commencing 12 April 2021.

During this time there will be no public or staff access to any records held within this database, and it will not be possible to carry out any of the following tasks via the Arun website:

- Research planning and building control history
- View any planning applications, plans, agreements, tree preservation orders or competent persons data
- Submit building control applications
- Submit planning application comments
- Report any planning compliance issues

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.

Hi Aimee,

I have amended the description to read:

“Non-material amendment following grant of LU/121/17/RES for the minor relocation of the 4 dwellings (plots 123-126) northwards by 1 metre, replacement house type from a wide front 3 bed to a standard 3 bed affordable on plot 126, acoustic fence details and location thereof, retaining wall boundary treatment, revised redline boundary,

ancillary changes (**plot 126 front door position** on the approved planning elevation drawings to coincide with the approved planning layout and civils drawings) and removal of garage to now be a parking space only at plot 38".

Kind regards,

Michael

Hi Michael,

Hope you're well.

Is the description able to be amended as the changes to the position of the front door relate to plot 126 not 121.

Thanks,
Aimee
